Guidance News

Juniors and Seniors -- Ivy Tech is currently registering students for CNA Preparation, English 111 (Composition), English 206 (Introduction to Literature), Communication 101 (Speech), Communication 102 (Interpersonal Communication), MATH 123, (Quantitative Math) and Psycholgy 101. These courses count towards the six free credit hours offered to RHS students. All courses but the CNA, Interpersonal Communications, Math, and Psychology classes are offered during the school day. Students are responsible for purchasing their own books for most classes. Interested students need to visit the guidance office for more information. If you are interested in taking a course, please contact Mrs. Seuferer by Friday, December 9.

End of Course Assessment re-takes for Algebra I and English 10 will take place in December. Passing these exams is required by the State of Indiana for graduation. The English 10 ECA testing will take place on December 8 and 9. The Algebra I ECA testing will take place on December 12 and 13. Please be sure that your student has a good night's rest, eats breakfast and is in attendance these mornings. The testing will take 2 to 3 hours for each subject. Please contact Mrs. Ternieden with questions or concerns.

Parents of the Class of 2017: The RHS Scholarship Night will be held on January 9, 2017 at 6:30 PM. Mark your calendars! Information will be distributed concerning local scholarship opportunities and how to apply.

The last day to make changes to spring semester schedules is Tuesday, January 10. Students must bring in a signed parent note to their counselor explaining why the change should occur. Required courses will not be changed. Please note that several courses are full and requests may be denied. It is recommended that students make changes BEFORE winter break.
